Optional Questions

Please consider answering these optional questions to provide Health Impact Review staff with contacts and additional context as they complete this request.

What organizations, community groups, or people would you recommend Health Impact Review staff contact as part of this review if time allows?

Government Roundtable

What additional context or information might be relevant to this HIR request (e.g., reasons for requesting; potential health impacts; groups of people potentially affected by the proposal)?

Interested in potential health impacts at the individual level all the way up to the systems level. Discussion has been focused on individual impacts of textiles, dyes, etc., but also interested in disproportionate impacts on people of color and industry.
